**Agency:** Agriculture

**Title of rule and other identifying information:** (describe subject) Chapter 16-545 WAC, Washington Turfgrass Seed Commission

**Purpose of the proposal and its anticipated effects, including any changes in existing rules:** In response to a petition for rule making, the Department is proposing to clarify current rule language by replacing all gender-specific pronouns with modern gender-inclusive pronouns.

**Reasons supporting proposal:** RCW 43.01.160 requires state agencies to use gender-neutral terms in rules unless a specification of gender is intended. Replacing gender-specific terminology supports the Department's commitment to integrate inclusive policies and procedures.

Gender-inclusive pronouns are pronouns that are not specifically gendered and can be utilized when referring to each other in the third person. They are linguistic tools that we use to refer to people. Using gender-neutral pronouns can help create a more inclusive and welcoming environment and show respect for people's gender identities.

- ☐ The rule is no longer necessary because of changed circumstances; or
