

Responsible Buyer List

Current as of 12/6/2023

Below is a list of licensees who have agreed to be responsible for reporting tonnage and paying inspection fees for all commercial feeds they distribute. The Department shall maintain a list of all Responsible Buyers and make the list available on request (RCW 15.53.9015).

If you are the initial distributor of commercial feed into the state of Washington, you must pay inspection fees on all commercial feed sold during this reporting period; the only exception is if you are selling to one of the companies on this Responsible Buyer list (RCW 15.53.9018).

Please Note: When completing form 4309A, the company you are exempting to must be entered as they are on this list. Only the companies/locations on this list are Responsible Buyers.
