

PREFERRED FOOD PROGRAM SITES FOR HUNGER RELIEF STAFFING & SERVICES PLACEMENTS

WSDA has worked in close cooperation with the Governor's office and other state agencies since March 2020 to ensure the continuous operation of hunger relief organizations to meet the needs of a growing number of food insecure Washingtonians. Human resources has been an ongoing challenge, as the pre-COVID workforce was primarily volunteers, many in higher risk groups. The Department of Commerce is launching a program, COVID Hunger Relief Staffing & Services, to support emergency food programs and senior nutrition program services and operations in response to the Coronavirus and its impacts. The following sites contract with the Washington State Department of Agriculture's Food Assistance Programs and/or the Department of Social and Health Service's Senior Nutrition Programs and the state is committed to supporting their safe operation for the duration of the coronavirus pandemic. These are the preferred sites for recruitment and placement of temporary employees, volunteers and service members to maintain emergency food system operations.
