Amendment Approval. Please note that your amendment is not guaranteed or granted until you receive approvals from both the Washington State Department of Agriculture (WSDA) and the Washington State Liquor and Cannabis Board (WSLCB).

Approval Timeline. Please note that the processing time from the receipt of your amendment request to the time of determination by WSDA could take up to 2-4 weeks. The WSLCB will also need to review your request. It may take longer if you do not complete and attach all the documentation required.

Changes to Location or Ownership. Please contact both WSDA and WSLCB to discuss the approval process for changes in location or ownership prior to making these changes.

Product Amendment

Include additional sheets as necessary.

1 - PRODUCT ADDITION OR CHANGE REQUEST. List full product name. *Example, for Chocolate Peanut Butter Walnut Brownie, include the specific name you have given your product (Chocolate Peanut Butter Walnut), along with the common name of the product (Brownie).* The proposed label information may not be used until approved.

1. _____
2. _____
3. _____
4. _____
5. _____

2 - PRODUCTION INFORMATION. If the addition or change to your products includes a change in any of the following information, please provide details of the new or revised activities.

- Receiving: Sources for ingredients (supermarkets, distributors, etc.)
- Storage: Where ingredients and packaging are stored. Frozen, refrigerated, or room temperature.
- Processing: Describe preparation steps. Include times and temperatures, if appropriate.
- Packaging: Include details such as retail size, and type of packaging (plastic, glass, vacuum-packed, etc.)
- Distribution: Describe how your products will be distributed.

3 - INGREDIENT STATEMENT

WSDA will work with you for the Ingredient Statement part of the product labeling requirements. Please submit a copy of the proposed ingredient statement for **each** individual MIE product request in this amendment. The proposed label information may not be used until approved. **Do not send recipes to WSDA.**

NOTE: Full MIE product packaging and labeling requirements will be reviewed by the Washington State Liquor and Cannabis Board (WSLCB). The WSLCB will work with you to meet these additional requirements (see [Section 314-55-105 WAC](#) and [Section 314-55-077 WAC](#)).

Ingredient statements will include:

Full Name of Product. List full product name. Example, for Chocolate Peanut Butter Walnut Brownie, include the specific name you have given your product (Chocolate Peanut Butter Walnut), along with the common name of the product (Brownie).

Ingredients. All ingredients must be listed in descending order by weight.

Allergens. Ingredient list must properly disclose major allergens: Wheat, Peanuts, Eggs, Milk, Soy, Fish, Crustacean Shellfish (such as crab, shrimp, lobster), and Tree Nuts (such as almonds, pecans, walnuts). Also include sensitivity agents FD&C Yellow 5, and sulfites when they are at a level that requires disclosure.

The following sample ingredient statement illustrates the ingredient and allergen labeling requirements:
