

Application for Movement Permit — Slaughter

**** Please send completed forms to ahealth@agr.wa.gov ****

Company: _____ Date: _____

Origin: _____ Premise ID #: _____

Destination: _____ Premise ID #: _____

Product: ☐ Broiler ☐ Turkeys

Flock Name	Sample ID 1	Sample ID 2	Flock Name	Sample ID 1	Sample ID 2

Requirements must be met prior to movement to slaughter:

- ☐ Broilers/turkeys are moving from a premise which has a national Premises ID Number and which meets the Monitored Premises designation
- ☐ A pre-movement isolation period is established (Broilers—5 days, Turkeys – 8 days)
- ☐ Load out and live haul biosecurity is implemented
- ☐ Product specific biosecurity is implemented
- ☐ The route to processing has been approved (load out and live haul biosecurity implemented)
- ☐ **Two PCR negative test results for HPAI** (one within 24 hours of movement)

*** Application is valid only if the negative results are attached**

I certify that the production parameters for the flock of origin are within normal range and that all other requirements are being implemented.
