Catholic Charities, Food For All - Spokane

Food For All provides healthy, locally grown produce to those in need. We work with community partners and farmers markets to develop infrastructure that will help obtain and deliver more local fresh fruit and vegetables.

As a first time recipient of WSDA F2FP funding in 2019, Food For All contracts with local farms to purchase fresh fruits and vegetables for delivery to food pantries.

To learn more about the impact Farm to Food Pantry had on the 3rd District, look for the 2019 Farm to Food Pantry Report available in January of 2020.
