

Example 1: Did you distribute ANY product into Washington?

- If you did not distribute any product in the State, **line 1 = zero.**
- If **line 1** is zero, then no fees are due if reported by the due date.

- If product was distributed, *regardless of the amount or package size*, a value is required.
- Form 4302D is required showing the amount of each product distributed. (Do not break down by component; report the actual blend/mix distributed.)
