DECLARATION OF WASTE PESTICIDE
Waste Pesticide Identification and Disposal Program
360-902-2056

ID No.
Z001

PRODUCT OWNERS NAME: FRED WALKER FRED'S FRUIT FARM	DATE: 02/01/2012
MAILING ADDRESS: 27546 STRAWBERRY WAY SE, YELM WA 98957	COUNTY: THURSTON

IMPORTANT: The Washington State Department of Agriculture (WSDA) has examined your unwanted pesticide products. You listed these products on the attached Waste Pesticide Identification and Disposal Program Customer Inventory (form AGR 615-4252) and or Bill of Lading. WSDA has accepted those products meeting the definition of a waste pesticide*. Once you sign the release below, WSDA will take possession and properly dispose of these unusable pesticides in compliance with state and federal requirements.

RELEASE: I am the owner (or owner's representative) of the pesticide products on the attached list. I release to you, the Washington State Department of Agriculture, those products you accepted. I understand you will take possession of these products and properly dispose of them.

Signature of Owner or Owner's Representative
