Kent School District – Farm to School
Student Survey (7th grade & 10th/11th grade)

Kent School District Food and Nutrition Services (FNS), the program that makes your school food, wants you to help them re-design your school meals to be fresh, healthy, and delicious. We, FNS and the Washington State Department of Agriculture Farm-to-School Program, want to know what you think about the food and what you want to eat. Please share your thoughts and ideas with us in this survey so together we can create a great eating experience at your school!!
