STRUCTURAL PEST INSPECTOR

PROOF OF FINANCIAL COVERAGE – OPTION 3*

FINANCIAL RESPONSIBILITY

INSURANCE CERTIFICATE (FRIC)

*Option 3 requires an insurance policy and a surety bond. See instructions.

Important: This form is for Structural Pest Inspectors (SPIs) who perform wood destroying organism inspections. It is NOT the form used by Commercial Applicators (CAs) to report financial coverage for the company's pesticide applications! CAs who perform complete wood destroying organism (WDO) inspections must meet the financial coverage requirements of that license AND the Structural Pest Inspector. Licensees with current CA insurance, and their Commercial Operator employees, do not need to meet the SPI financial coverage requirement when performing specific WDO inspections. Complete WDO inspections are done for the purpose of determining evidence of infestation, damage, or conducive conditions as part of the transfer, exchange, or refinancing of any structure. Specific WDO inspections are those done for the purpose of identifying or verifying evidence of an infestation of WDOs prior to pest management activities.

Instructions: Washington pesticide law (Chapter 15.58 RCW) requires that SPIs or the companies that employ them provide proof of financial coverage. Use this form to report the insurance policy portion of Option 3. This option also requires a surety bond in the amount of $12,500. See http://agr.wa.gov/PestFert/LicensingEd/CaSpiInfo.htm for further information on this bond requirement, including the surety bond form, and an explanation of the other options available.

Agent Information: This form is only valid when completed by an Insurance Agent. For new licenses, this form must be submitted BEFORE the SPI license can be issued. For existing licenses, it must be submitted by the expiration date of the inspector's insurance policy or the SPI license is automatically suspended.

By signing this form, the agent verifies that this policy meets the insurance requirement of RCW 15.58.465(1)(c). This requires an errors and omissions insurance policy of not less than twenty-five thousand dollars that is maintained at or above the required sum at all times during the licensed period. The maximum deductible is $5,000. The insurance policy shall provide coverage for errors and omissions in an inspection conducted during the term of the policy.

The following described Insurance Policy has been issued and is in full force and effect as set forth below:

NAME AND ADDRESS OF PEST INSPECTION COMPANY (POLICY HOLDER) NAME OF INSURANCE COMPANY

NAME OF PRIMARY LICENSEE

POLICY NUMBER

LIMIT OF COVERAGE

NAME AND ADDRESS OF LOCAL AGENT

Does this policy meet the requirements of RCW 15.58.465(1)(c) (see above)? Yes

DEDUCTIBLE

POLICY PERIOD:

FROM: TO:

It is agreed that the company will file with the Department of Agriculture WITHIN TEN DAYS copies of any and all endorsements extending, restricting, changing, cancelling or renewing the aforementioned coverage. Whenever requested by the Department, the company agrees to furnish a copy of said policy and all endorsements thereon. Please notify the Department if this client fails to meet the deductible clause in any legal claim.

I certify that I have legal authority to act for ___________________________; that said company is a direct representative of the Underwriters and not a local agent; and that said company is qualified to do business in the state of Washington; and that the insurance coverage is placed through a properly licensed agent in Washington.

Authorized Agent (please print): ___________________________________________________________

Signature: ___________________________________________________ Date: ________________________

NOTE: Return to the Department of Agriculture at the address or fax number above.
