License Information: Use this form to apply for or report changes to a Structural Pest Inspection Company License. This license is required for all businesses performing complete wood destroying organism (WDO) inspections.* The primary purpose of this license is to accurately track inspectors covered by the company’s required financial coverage. Any changes to your company information, in particular your inspector list, must be reported to WSDA within 30 days. Mail or fax the completed form to WSDA.

*Inspections conducted for the purpose of determining evidence of infestation or damage by WDOs or conditions conducive to their development as part of the transfer, exchange, or refinancing of any structure.

This application is to:
